At the ballot box and at the State House, we’re raising our voices for justice. We need to stop the policies that put profits ahead of hard-working people. We need to fight for an economy that works for everyone, protect Medicaid, and for quality healthcare services that take care of everyone.

District 1199 Political Action is our voice, our vote, and our power. While wealthy individuals and corporations try to buy elections and laws, our political fund combines small contributions of thousands of 1199 healthcare workers to give us a powerful voice in politics. Join us today...
United in 1199 Political Action, we’ve accomplished a lot:

- Fought to protect Medicaid which funds the vital services 1199 members provide
- Passed legislation to end Mandatory Overtime in Hospitals
- Won access to Paid Sick Time for 100,000 Rhode Islanders

Together, we must continue to lead the political fight to:

- “Fight for $15” to raise standards for caregivers and all workers
- Stop threats to Medicaid and expand vital services our residents and clients rely on
- Win legislation that empowers workers to form unions
- Hold politicians accountable for making our economy and our state budget work for all of us

I want to do my part to make sure politicians keep their promise & create an economy that works for everyone!
