

## United in 1199 Political Action, we've accomplished a lot:

- ✓ Won an average 30% wage increase for PCAs and time-and-a-half on six holidays a year
- ✓ Won Worker's Compensation so health care expenses are covered if we are injured on the job
- ✓ Won millions reinvested back in programs for individuals with developmental disabilities

## Together, we must continue to lead the political fight to:

- ✓ Stop devastating cuts and expand vital services our consumers rely on
- ✓ Win living wages and benefits so we can live with dignity
- ✓ Hold politicians accountable for making our economy and our state budget work for all of us

**I want to do my part to make sure politicians keep their promise & create an economy that works for everyone!**
